

Ugly's Electrical References

NULL

The most popular pocket-sized electrical book in America used by electricians, engineers, designers and maintenance workers. This unique book explains, everything from bending conduit to complex electrical formulas. This 2002 edition contains all the electrical material that has made this reference famous, but also reflects 2002 NEC changes and new color coded wiring diagrams. Also includes a Basic Math Review and a General First Aid Section. (0962322954)
