

Rave America

New School Dancescapes

Through hundreds of interviews with DJ's, recording artists, producers, promoters, drug lords, club celebrities, and nightworld casualties, this book takes readers into the deepest recesses of the electronic dance culture, uncovering secrets and stories never before seen inprints. Starting with club culture in the 70s and 80s the book includes such greats as DJ Frankie Bones, the acid fuelled dreams of SF's Full Moon beach parties, Florida's DJ Icey, right up to the twelve hour post-aids muscle raves of the cross country gay circuit parties.
