

The First

President Barack Obama's Road to the White House as Originally Reported by Roland S. Martin

"Whether broadcasting from Springfield, Illinois in the cold when Obama announced his candidacy, to weighing in on the controversial sermons of the Rev. Jeremiah Wright, to witnessing the nomination of Obama as the Democratic nominee in Denver and shedding tears with millions on Election Night - albeit from the set of CNN - Roland S. Martin was always in the thick of the most important moments of the campaign." "Combined with his own behind-the-scenes accounts, and original reporting with a litany of celebrities who were heavily invested in the election including Hill Harper, Jessica Alba, Spike Lee, Common, Blair Underwood, Vanessa Williams and Holly Robinson Peete, Roland S. Martin's *The First* will clearly serve as a historic documentation of the history-making election of President Barack Obama." --Book Jacket. (9780883783160)
