

Furry Logic

A Guide to Life's Little Challenges

Guaranteed to coax a smile from the grumpiest of grumps, FURRY LOGIC is a charming little book with a big heart and sly humor. Exquisitely detailed watercolor paintings depicting animals caught up in the joy and drudgery of life are paired with old adages given a new spin for our times. Tender thoughts such as “Smile first thing in the morning—get it over with,” “If you don't agree with me—it means you haven't been listening,” and “You'll always be my best friend—you know too much” go a long way toward banishing the blahs and shaking off the blues. Designer and illustrator Jane Seabrook's 40 universally appealing paintings of birds, bears, penguins, chipmunks, frogs, baboons, and more are rendered in delicate and biologically accurate detail using a tiny sable brush with a single hair at its tip. In the spirit of international best-seller The Blue Day Book, FURRY LOGIC speaks to the human condition in a way we can all relate to and feel good about. A humorous collection of quotes and drawings that turns life's little challenges into opportunities for laughter. An ideal gift for Mother's or Father's Day, birthdays, graduations, anniversaries, or for no reason at all. (9781580085694)
