Cameo says: *A guilty pleasure of mine. The actors are so good, I love all of the songs, & it's so much fun to watch bc of the location & how everyone seem to be having a great time. The plot may be cheesy & full of holes, some of the actors aren't the strongest singer (Pierce Brosnan is especially cringe worthy), & it has it's many flaw but I can't help but to love it despite all of them.*

Excellent Great Good OK Irritating ICK!
